I. Attorney Services Fund; Registration Requirements and Fees

Biennial Registration Requirements and Fees

Article IV of the Ohio Constitution vests plenary authority with the Supreme Court of Ohio to regulate all aspects of the practice of law in Ohio, including admission to the practice of law, the discipline of persons admitted to the practice of law, and all other matters relating to the practice of law. In furtherance of this responsibility and in order to maintain an independent and self-funded regulatory system, the Supreme Court assesses and collects various fees and other moneys pursuant to the Supreme Court Rules for the Government of the Bar of Ohio. All moneys collected pursuant to the rules are deposited in the Attorney Services Fund.

Gov.Bar R. VI imposes a biennial registration requirement on each attorney practicing law in the state of Ohio. Each attorney licensed to practice law in the state, except for attorneys who are on inactive or retired status, and each non-Ohio attorney registered for corporate counsel status, must register with the Court on or before the first day of September in each odd-numbered year and pay a \$350 registration fee for active or corporate counsel status. Emeritus Pro Bono status is available as a registration status for attorneys who wish to provide legal services solely on a pro bono basis with a qualified organization. The registration fee for Emeritus pro bono status is \$75. In addition, attorney spouses of active-duty members of the U.S. military stationed in Ohio may seek temporary admission to the practice of law in Ohio under certain conditions. The registration fee for military spouse attorneys is \$350.

Registration fees are reduced or waived for attorneys who are admitted to practice in the second year of the registration biennium. Attorneys may, during the biennial attorney registration, participate in a \$50 voluntary “add on” fee to fund civil legal aid services for low-income populations in Ohio. Revenues from attorney registration fees are significantly lower in odd-numbered fiscal years because attorneys are required to register with the Supreme Court during even-numbered fiscal years.

The Supreme Court imposes monetary sanctions on attorneys who fail to register timely. Gov.Bar R. VI imposes a late registration fee of \$50 on any attorney who fails to register by the due date. An attorney who remains unregistered more than sixty days after the due date is summarily suspended from the practice of law and must register, pay all outstanding registration fees, and pay a \$300 reinstatement fee in order to be reinstated to the practice of law.

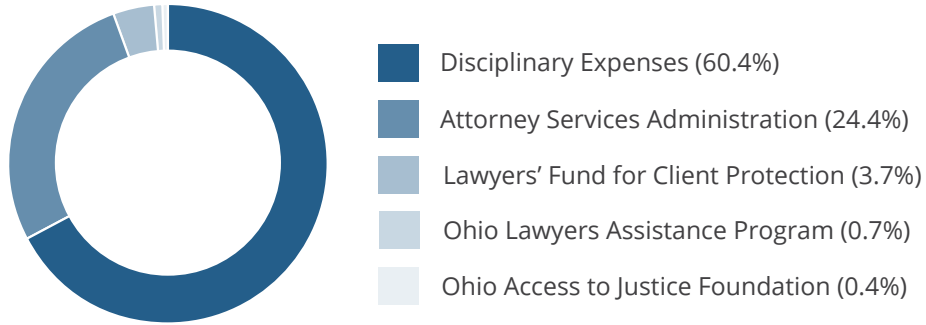

Attorney Services Fund

Gov.Bar R. VI registration, late registration, and reinstatement fees are paid into the fund. Gov.Bar R. I fees charged and collected by the Court for admissions-related services, are deposited in the Attorney Services Fund. The fund also receives revenue from other sources pursuant to the Rules for the Government of the Bar, including fees related to legal interns, the temporary certification program, foreign legal consultants, pro hac vice, applications for admission to the practice of law, for admission to the practice of law, applications for the admission to the practice of law, cost reimbursements from disciplined attorneys, and civil penalties and costs assessed against persons who are found to have engaged in the unauthorized practice of law.

Pursuant to Gov.Bar R. VI, Section 14, the moneys in the fund are used to (1) investigate complaints alleging misconduct pursuant to Gov.Bar R. V or Gov.Jud. R. II and alleging unauthorized practice of law pursuant to Gov.Bar R. VII, (2) support the activities of the Lawyers' Fund for Client Protection, the Commission on Continuing Legal Education, and the Board on the Unauthorized Practice of Law; (3) fund any activity considered necessary by the Supreme Court for the government of the bar and the judiciary of Ohio; (4) fund matters approved by the Court and related to the admissions of applicants to the practice of law; and (5) support any activities related to the administration of justice considered necessary by the Supreme Court.

[SCHEDULE 1](#) of this Report contains a summary of fund expenditures for Fiscal Years 2021 and 2022 and allocations for Fiscal Year 2023.

Figure 1: Fiscal Year 2022 Expenditures

II. Summary of Fund Activity in Fiscal Year 2022

Disciplinary-Related Expenses

In Fiscal Year 2022, \$10,349,890 was expended from the Attorney Services Fund.

In Fiscal Year 2022, \$6,247,988 was used to fund the disciplinary process established by the Court in Gov.Bar R. V and \$0 was used to fund Gov.Jud. R. II, “Disciplinary Procedure.” This is 60.4% of total fund expenditures in FY 2022. Of this amount, \$3,628,919 was expended by the Office of Disciplinary Counsel, which accounts for the entire operational budget of that office.

A total of \$694,015 was expended by the Board of Professional Conduct to fund the operations of the Board. An additional \$1,925,054 was expended by the Board to reimburse local bar association certified grievance committees for disciplinary-related activities.

Lawyers' Fund for Client Protection

Since 1985, the Supreme Court has allocated moneys from the Attorney Services Fund to compensate clients who are victims of theft, embezzlement, or misappropriation by dishonest attorneys. The Lawyers’ Fund for Client Protection is established in Gov.Bar R. VIII and is administered by an independent Board of Commissioners appointed by the Court.

In Fiscal Year 2022, \$381,959 was expended by the Board of Commissioners of the Lawyers’ Fund for Client Protection for its operations. This amount represents 3.7% of Attorney Services Fund expenditures. The Supreme Court did not allocate any additional funds to the Lawyers’ Fund for Client Protection Trust Fund to replenish that fund in Fiscal Year 2022.

In Fiscal Year 2022, the Board awarded a total of \$787,915.86 from the Trust Fund to reimburse 28 eligible claimants. As of June 30, 2022, there were 74 claims pending representing a potential liability to the fund of \$3,221,808.41. For more information regarding claims filed with the Lawyers' Fund for Client Protection, please see the most recent annual report prepared by the Board of Commissioners of the Lawyers' Fund for Client Protection.

Attorney Services Administration

The Attorney Services Division of the Supreme Court is comprised of the Office of Attorney Services and the Office of Bar Admissions. These two offices are charged with supporting the Court in the exercise of its constitutional responsibility to regulate the practice of law in Ohio. The Office of Attorney Services has many responsibilities, including registering attorneys each biennium, verifying attorneys' statuses and issuing certificates of good standing, administering the Lawyer to Lawyer Mentoring Program, and maintaining attorney and judge attorney registration and continuing legal education records. The Office of Bar Admissions of the Supreme Court oversees the admissions process and supports the Board of Commissioners on Character and Fitness and the Board of Bar Examiners. The Office also administers Court rules that govern the Uniform Bar Examination, practice pending admission, the Ohio Law Component, admission of military spouse attorneys, the limited practice of law by legal interns, the temporary certification of non-Ohio attorneys to work in legal aid, public defender, or law school clinic programs, and the limited practice of law by foreign legal consultants.

A total of \$2,529,944 was expended for the Attorney Services Division in Fiscal Year 2022. These moneys, which represent 24.4% of total fund expenditures, supported the Office of Attorney Services (\$1,043,492); the Office of Bar Admissions (\$1,302,934); the Commission on Professionalism (\$111,481); and, the Board on the Unauthorized Practice of Law (\$1,114). Further, \$70,163 was expended on reimbursement of expenses related to investigation and prosecution of unauthorized practice of law matters. The fund also supports the Commission on Certification of Attorneys as Specialists; in 2022, \$760 was expended for the Commission.

Discretionary Grants

A total of \$1,190,000 in expenditures from the fund represented grants to nonprofit organizations that assist the Supreme Court in providing oversight of the Ohio bench and bar and in the

administration of justice. In Fiscal Year 2022, the Court awarded grants of \$425,000 to the Ohio Access to Justice Foundation and \$765,000 to the Ohio Lawyers Assistance Program. These grants represent .04% and .07% respectively, of the expenditures from the fund.

The Ohio Access to Justice Foundation is established pursuant to statutory authority and has, as its primary responsibility, the duty of administering and allocating various funds for Ohio's legal aid programs. These programs provide direct civil legal assistance to low-income Ohioans who qualify for services. The moneys contributed from the fund to the foundation are used for pro bono development and enhancement, technology enhancement and support, and performance assessments of legal aid programs.

The Ohio Lawyers Assistance Program provides intervention and monitoring assistance to Ohio lawyers, judges, and law students who are suffering from alcoholism, substance abuse, or mental illness. In addition to moneys allocated from the fund, the program receives contributions from the Ohio State Bar Association, the Ohio Bar Liability Insurance Company, and other entities.

Civil Justice Grant Program Fund

The annual pro hac vice registration fee for out-of-state attorneys is \$300, and \$150 of each registration is directed to help fund civil legal services for indigent Ohioans. There is also a \$50 voluntary add-on fee as part of the biennial attorney registration required of Ohio attorneys, which is also directed for this purpose. The funds generated from these two sources are deposited into the Civil Justice Grant Program Fund, which was established in Fiscal Year 2017. In Fiscal Year 2021, \$62,250 was voluntarily donated by attorneys and judges as part of the biennial attorney registration process. The fund's purpose is to provide grants to non-profit organizations and agencies dedicated to providing civil legal services to Ohio's indigent population through innovative programs aimed at increasing access to justice. This fund held \$904,230.47 as of June 30, 2022, of which \$808,034.50 was reserved for the balance of encumbered grants. The available fund balance was \$96,195.97 as of June 30, 2022.

During Fiscal Year 2022, the Supreme Court awarded grants totaling \$599,985.85 from the Civil Justice Grant Program to 11 different non-profit organizations or agencies.

Together, these grants represent 3.7% and 6.6% respectively, of the fund allocations for Fiscal Year 2023.

IV. Fund Balance and Projections

On June 30, 2022, the fund had a balance of \$11,233,434. In Fiscal Year 2023, the fund is projected to realize income of \$2,028,255 (including fees, reimbursements, and interest income) and expend an estimated \$11,084,412. On June 30, 2023, the fund will have an estimated balance of \$2,177,277.

V. Audit

The Auditor of State conducts a complete audit of the Attorney Services Fund on a regular basis. The audit occurs at the same time as the audit of other funds that are appropriated to or collected by the Supreme Court. The most recent audit was conducted in the summer of 2022 for the fiscal year ending June 30, 2022. At this point we are not aware of any findings or instances of noncompliance or internal control weaknesses reported for the Attorney Services Fund. The audit report is not expected to be released by the Auditor of the State until December 2022.

VI. Investment Policy

Attorney registration fees are deposited directly into a bank lockbox maintained by U.S. Bank where they are invested in financial instruments. U.S. Bank was selected to maintain the fund's lockbox through a competitive bid process for moneys deposited and collected in Fiscal year 2022.

The fund's moneys are managed in a conservative, risk-averse manner through investments made in compliance with the Uniform Depository Act, as set forth in Ohio Revised Code Chapter 135, and amended by the Investment Reform Act of 1996. These and other state and federal laws require that the fund's moneys not be placed at risk in the marketplace through investments in derivatives, reverse purchase agreements, or any method of leveraging.

The fund's investments are primarily in federal money market accounts avoiding high bank insurance charges. The fund continues to seek more optimal investment options, as permitted by statute.

VII. Summary

The Attorney Services Fund allows the Supreme Court to maintain an effective and efficient system for licensing attorneys and regulating post-admission aspects of the practice of law, consistent with its responsibility under the Ohio Constitution. The fund also provides important financial resources to organizations that aid in the provision of legal services to the poor and assist lawyers who are suffering from alcoholism, substance abuse, or mental illness.

All activities supported by the fund are invaluable in ensuring the public's continued trust and confidence in our legal system.
